

# IOI Loders Croklaan Supplier Round-table session

1<sup>st</sup> November 2017, Batu Pahat, Johor, Malaysia

A roundtable session facilitated by Proforest was conducted for representatives from 6 supplying mills, 7 collection centers & several small producers operating in the North West Johor landscape.

The Roundtable session covered Labor practices and industry trends:

- 1) Self-evaluation on workforce recruitment, passport retention, minimum wage, etc.
- 2) Brief on ILO Convention and guiding principles on human rights
- 3) Legal requirements related to labor and human rights in Malaysia
- 4) MSPO's requirements on labor & human rights.
- 5) IOI Group's traceability to plantation initiative

Two leading end product manufacturers were also invited to discuss their Sustainability Policy and current efforts to transform the supply chain.

IOI Loders Croklaan & Proforest will continue to monitor suppliers' compliance and actively seek impactful collaborations within the industry to build a transparent and sustainable supply chain.
