

Shea Traceability

Progress update: Aug-Nov 2017

IOI Loders Croklaan

*Let's create
together*

Know the origin of our shea nuts

IOI Loders Croklaan knows the origin of the shea nuts at country level. It is our goal to extend our scope further to district-level in two steps:

Step 1

100% traceable shea nuts per country up to level 1 by 2017

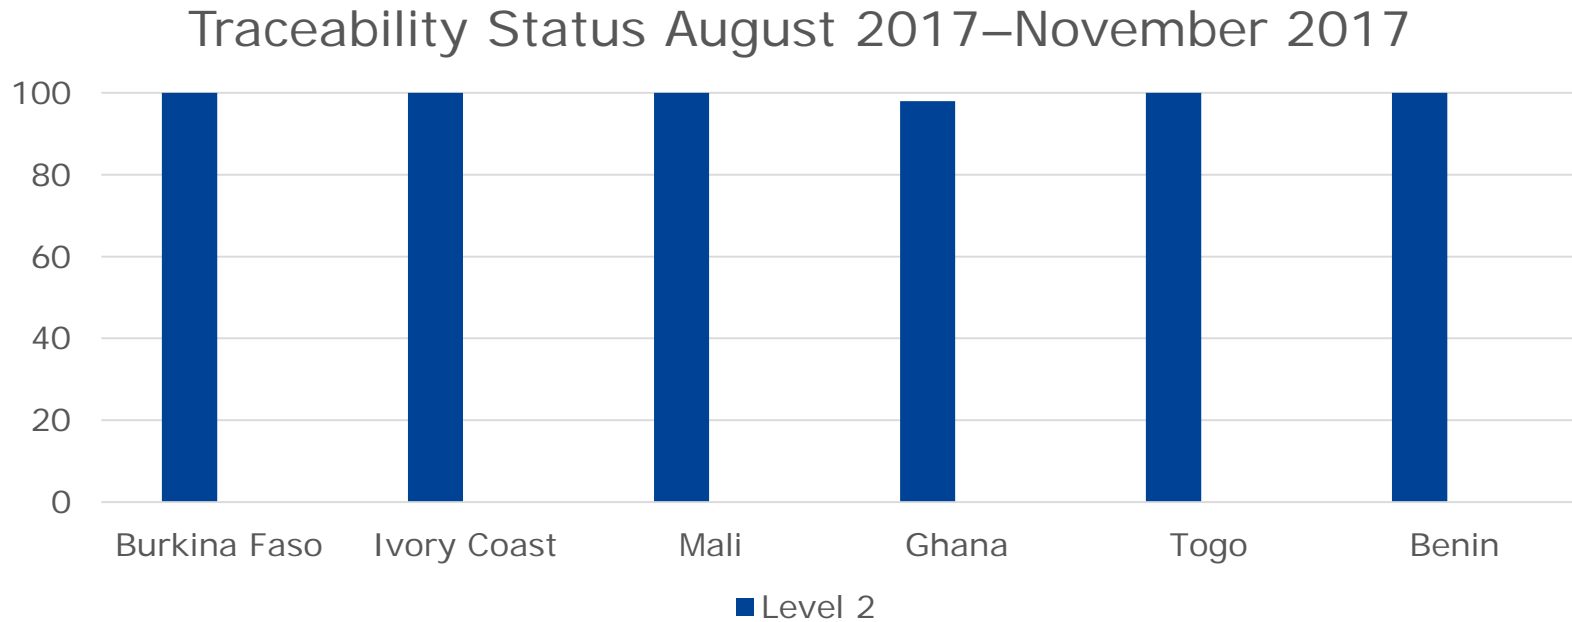

Step 2

100% traceable shea nuts per country up to level 2 by 2018

Country	Level 1	Traceability	Level 2	Traceability
Burkina Faso	Region (13)	100%	Province (45)	100%
Ivory Coast	District (14)	100%	Region (31)	100%
Mali	Region (9)	100%	Cercles (49)	100%
Ghana	Region (10)	98%	District (216)	98%
Togo	Region (5)	100%	Perfectures (30)	100%
Benin	Department (12)	100%	Communes (77)	100%

We report our traceability numbers per sourcing country on periodical basis.
